Time: Marketing & HR - 10.45am to 12.15pm, Finance – 1pm- 2.30 pm

Venue: Classroom

Introduction:

Organizing expert sessions and inviting them to the classroom has several benefits for the students. Bringing in speakers with proven expertise in a topic provides added credibility to the content. Inviting people from varied streams and top institutions to provide valuable information to students help them to spruce up their act. They lend valuable information from their experiences which are a real help to the students. Thus realizing this importance of these facts, an expert session was organized on the topic ‘Union Budget and its effect on various sectors’ on 31st July, 2019 for the students.

Objectives:

- To enable students to understand different dimensions of budget in management outlook
- To get a deep insight into the impact of Union Budget on various sectors
- To highlight the various dimensions of the budget

Guest Speaker/s: Mr. Manoj Rathore- Kaizen Retail Finance Services

Brief Programme Details:

A guest lecture was conducted by Mr. Manoj Rathore on Union Budget 2019 and its effect on various sectors on 31st July 2019. Mr. Rathore delivered an extensive and comprehensive disclosure on the forthcoming Union Budget 2019. In a highly interactive session Mr. Rathore spoke about as to what Union budget exhibits. He further explained the process of allocation of budget with respect to industries and ministries. He also covered highlights of union budget i.e how budget is focused on labour and youth welfare, support for farmers, infrastructure, MSME, tax proposal and the vision for next Decade. He spoke about how India is all set to become US\$ 3 trillion economy by the end of FY20. Mr. Rathore said that the budget focuses on reducing red tape, making best use of technology, building social infrastructure, digital India, pollution free India, make in India, job creation in Micro, Small and Medium Enterprises (MSMEs) and investing heavily in infrastructure.

The Analysis of the Budget by the distinguished speaker was eloquent. His excellence in presenting many dimensions of the Budget in simple, understandable language was very well received by students.

Conclusion:

The session was very beneficial as the highlights of the budget were made clear by the speaker in a very simple and lucid manner. Students understood the impact of various amendments of the Union Budget on the life of common man and on various sectors of Economy. The session was indeed an informative and a good learning experience for students.

Quote:

“The biggest source of getting the country to a balanced budget is not by raising taxes or by cutting spending. It's by encouraging the growth of the economy”. - Mitt Romney
